# THE ANNUAL FLYING STARS 2021

## South

## North

**+ Use these good areas as much as you can:**

West, South, NorthEast, Center

**- Avoid these bad areas as much as you can:**

SouthEast, North, SouthWest

**~ Use discretion in these “1/2 and 1/2” areas:**

NorthWest, East

### **West 8 (GOOD)**

- ◆ Wealth and Money: Great if your main door is located here as it ushers in new wealth opportunity Chi (Qi) from the outside
- ◆ Use this section for real estate tasks
- ◆ Do your investments, stocks, bonds and RRSP portfolio tasks in this section

### **South: 1 (GOOD)**

- ◆ Excellent for marketing yourself or your business
- ◆ Good for finding helpful people
- ◆ Good area to make job hunting/interviewing or networking phone calls and emails

### **NorthEast: 9 = (GOOD)**

- ◆ Increase happiness in your relationships
- ◆ Career Promotion
- ◆ Use this area to make phone calls for new opportunities
- ◆ Sun star is here for Mentorship and support
- ◆ But Grand Duke and Robbery Sha is here so don't renovate or you could stir up problems of gossip and betrayal

### **Center: 6 = (GOOD)**

- ◆ The 6 is a health star and also good for some career luck
- ◆ Keep this area neat and tidy

### SouthEast: 5 (BAD)

**This is the worst sector of 2021.**

- ◆ The yellow #5 star can bring trouble when activated. Can cause accidents, relationship breakups, drop in your income, health issues, etc.
- ◆ Place **heavy metal** items in this section especially brass, iron and copper. The more metal the better!!!
- ◆ Place at least 2 [salt water cures](#) here
- ◆ Remove televisions
- ◆ This area needs prayer and loving thoughts, [Luxe Orgonite™](#), white sage [smudging](#) at least once a month
- ◆ No renovations in this sector for 2021
- ◆ Don't sleep here if you can help it.
- ◆ Try to avoid this area as much as you can so as to not disturb the 5 star energy. (Use one of the **GOOD** sectors for your family room, office or bedroom instead.)
- ◆ Don't move large furniture in SouthEast, that will disturb the 5 star
- ◆ Keep this area dark and quiet.
- ◆ A large piece of black tourmaline can absorb bad energy here
- ◆ If your main door is in SouthEast, find a different door for everyone to use (back door, side door or garage door) If you can't do that, then make sure you turn outdoor light off
- ◆ Don't sit facing the SouthEast this year
- ◆ I REPEAT: At least 2 salt water cures and a ton of metal objects!

### SouthWest: 3 (BAD)

- ◆ The number 3 wood star in the SouthWest can cause disagreements and legal problems
- ◆ The annual "Year Breaker" flies into this sector, so avoid renovations (or you run the risk of triggering mishaps, accidents, loss and health issues)
- ◆ Don't do work/business stuff in this sector
- ◆ If your bedroom is here, you and your partner might argue all year... if you find this to be true then take out your compass and move your bed to one of the **GOOD** sectors.
- ◆ If your main door is here, don't make any major decisions when you are angry!

- If you find that your family members are angry and agitated, then find different door for everyone to use ... back door or garage door for example... *(as long as it's not in the SouthEast!!)*
- ◆ Walk away from bad situations, find your calm and think through your decision
- ◆ Salt water cure would be good in this sector.
- ◆ This sector can be good for competitive and sports situations
- ◆ Dragon Virtue is here in 2021 (which is positive energy) and can help resolve a problem

### North: 2 (BAD)

- ◆ The number 2 earth sickness star flying into the North can aggravate existing medical issues.
- ◆ It can intensify illness, so unhealthy people should AVOID this area in 2021
- ◆ Place metal objects here, the bigger and heavier metal, the better!
- ◆ Definitely use a Salt water cure
- ◆ The stove should not be here in 2021. Move your stove to a different area or just don't use it. Use other cooking tools like an air-fryer or Insta-Pot instead.
- ◆ *Don't renovate* in this sector in 2021
- ◆ If your main door is in the North, take care of your health and get regular checkups.
- ◆ Better yet, get everyone to use a different door in one of the good sectors
- ◆ Move your work desk out of this sector to minimize business and career blockages

### East: 4 (GOOD) and (BAD)

- ◆ Good for Knowledge, Academics and Creative projects
- ◆ Single people can find romance by using this area (eg dating sites)
- ◆ 3 Killings and Calamity Sha: avoid renovations here so as to not disturb these energies
- ◆ Study for exams in this area but don't spend too much time here
- ◆ Salt Water cure would be good here

**NorthWest: 7 (GOOD) and (BAD)**

- ◆ The red metal star 7 can cause discord, legal issues, petty talk, general discord and respiratory issues.
- ◆ Fortune Virtue is here in 2021 which can be good for financial opportunities and help make things easier
- ◆ Good for people in law enforcement
- ◆ Be careful of signing contracts in this area, double check everything
- ◆ Salt water cure
